16:20-17:00	(Learner report) <i>Peter Bouhuijs</i>	

Day 3	Wednesday (25 June)	
!!8.30-9.30	Social Tranches in the GMO battlefield (<i>lecture & questions</i>) <i>Kasza Gyula</i>	<i>Chair: Louis-Marie Houdebine</i>
9:30-10.15	Biotechnology and biomedicine: ethical issues (I) Should we ban germline gene therapy? <i>Guido Van Steendam</i>	<i>Chair: Louis-Marie Houdebine</i>
10.15-10:30	Case study introduction	
10:30-11:30	Break out groups	
11:30-11:50	Coffee break	
11:50-12:30	<i>Plenary</i> discussion (including reports from the groups)	<i>Chair: Guido Van Steendam</i>
12:30-13.30	Lunch	
	Afternoon- cultural program	

Day 4	Thursday (26 June)	
9:00-9:45	GMO (<i>lecture & questions</i>) <i>Louis-Marie Houdebine</i>	<i>Chair: Franco Celada</i>
9:45-10:00	Case study introduction	
10:00-11:00	Break out groups	
11:00-11:20	Coffee break	
11:20-12:00	<i>Plenary</i> discussion (including reports from the groups)	<i>Chair: Louis-Marie Houdebine</i>
12:00-13.30	Lunch	
13:30-14:15	Enhancement by way of biotechnology – Social justice (<i>lecture & questions</i>) <i>Ruud ter Meulen</i>	<i>Chair: Torunn Ellefsen</i>
14:15-14:30	Case study introduction	
14:30-15:30	Break out groups	

15:30-15:50	Coffee break	
15:50-16:20	Plenary discussion (including reports from the groups)	Chair: Ruud ter Meulen
16:20-17:00	Learner report <i>Peter Bouhuijs</i>	

Day 5	Friday (27 June)	
9:00-9:45	Bioethics, biotechnology and political decision-making. Oberfrank Ferenc	Chair: David Townend
9:45-10:00	Case study introduction	
10:00-11:00	Break out groups	
11:00-11:20	Coffee break	
11:20-12:00	Plenary discussion (including reports from the groups)	Chair: Oberfrank Ferenc
12:00-13.30	Lunch	
13:30-14:30	Lecture: On the qualities of science (<i>lecture & questions</i>) Ray Spier	Chair: Franco Celada
14.30-15.15	Biotechnology meets the law (<i>lecture and questions</i>) David Townend	Chair: Franco Celada
14:15-15:30	Case study introduction	
15:30-16:30	Break out groups	
16:30-16:50	Coffee break	
16.50-17:50	Plenary discussion (including reports from the groups)	Chair: David Townend
17:50-18:00	Learner report <i>Peter Bouhuijs</i>	

Day 6	Saturday (28 June)	
9:00-9:45	Biotechnology and biomedicine: ethical issues (II) Ethics of clinical trials (<i>lecture & questions</i>) Kovács József	Chair: Josef Kuře
9:45-10:00	Case study introduction	
10:00-11:00	Break out groups	
11:00-11:20	Coffee break	
11:20-12:00	Plenary discussion (including reports from the groups)	Chair: József Kovács
12:00-13.30	Lunch	
13:30-14:30	Scientific integrity (<i>lecture & questions</i>) <i>Matthias Kaiser, Ray Spier</i>	Chair: József Kovács
